What Our Students Say

Google
Rated 4.8/5 (982)

"I had the pleasure of attending Abhijit's PMP training sessions, and they played a crucial role in helping me clear the PMP certification. His teaching style is structured, engaging, and focused on real-world scenarios. I highly recommend him to anyone preparing for PMP or strengthening their project management skills."

Deepak
Project Manager

"Learning with Abhijit was insightful as he shared real-life scenarios throughout the training. He showed genuine interest in mentoring us and always went above and beyond to answer questions. His practical examples helped us grasp the concepts quickly and retain them for long."

Sandeep
Senior Project Manager

"The 35-hour PMP training with Mr. Abhijit Ambulkar was outstanding. His 20+ years of experience and practical teaching made PMBOK® concepts clear and actionable. The interactive sessions, examples, and feedback greatly boosted my confidence and exam readiness."

Tushar
Project Manager

"I truly appreciate the honest efforts Mr. Abhijit Ambulkar put into delivering the PMP course. His passion for project management is commendable. His vast experience added immense value, making the concepts meaningful and easier to understand. The training was engaging and practical—far more insightful than what I studied in academics. I am grateful to have learned from someone so dedicated and knowledgeable."

Keyur
Structural Engineer & Associate Project Manager
